Mr Colin Sinclair

7 February 2015

Dear Mr. Sinclair

Thank you!

I am writing to thank you for the donation of £1,080 raised from The Gathering Invitational 2015 which took place on 31st January.

This is a wonderful contribution to our work. We are very grateful for this generous gift which will help to further the much-needed research into pancreatic cancer. With the support of donors we are able to fund innovative research projects throughout the UK focused on early detection and more effective treatments. The money raised by your event will help fund pioneering new projects getting underway this year, including one at the Beatson Institute in Glasgow, so the donation will be well used.

Our congratulations and appreciation go to you for a very successful fundraiser, and our sincere thanks go to everyone who supported it so generously.

Yours sincerely,
